The diagram shows a linear network represented by a rectangular circuit. The top horizontal branch contains a dependent current source pointing to the right, labeled $2i_x$. The bottom horizontal branch contains a dependent current source pointing to the left, labeled $2i_x$. The left vertical branch contains a dependent current source pointing upwards, labeled $2i_x$. The right vertical branch contains a dependent current source pointing downwards, labeled $2i_x$. The current i_x is indicated by an arrow pointing to the right in the top branch.
